It's very important when doing your own hair to have the right blow dryer, flat iron, products, etc. – they make a huge difference

### Bold Experiences:

- Joined celebrity stylist sister, Britt Bardo, in Los Angeles and gained quick exposure styling at the fashionable Juan Juan Salon in Beverly Hills
- Has styled celebrities including Chloe Sevigny, Emma Roberts, Eva Mendes, Rose McGowan and rock star bands such as Fall Out Boy, Green Day, Panic! at the Disco and Red Hot Chili Peppers
- Editorial work has appeared in *Vogue*, *NYLON*, *Paper*, *Vanity Fair*, *Billboard Magazine* and *Surface*
- Lead stylist for Rodnik's Fall 2008 Fashion Week show sponsored by Sebastian Professional

### Favorite Sebastian Products:

- **Whipped Crème** because it's light and moisturizing, but still has enough hold to define waves or curls without getting crunchy or stiff
- **Shaper Zero Gravity** because it's amazing to use on shoots – it doesn't weigh the hair down and you can continue layering it throughout the day

Alexander McQueen and John Galliano

### Style Icons:

Bianca Jagger, Audrey Hepburn and Brigitte Bardot

### Never Leave Home Without:

Lipstick and sunglasses

### What's Playing on My iPod:
